DATTATRAYA): (a), (b) and (d) The jhuggi cluster on Government land opposite Mandakini Enclave at Alaknand has been placed in the priority list for removal/ rehabilitation under the Slum Relocation Scheme. The DDA has reported that joint survey of this cluster with Slum & JJ Department (MCD) has been conducted. However, as per the Government policy, the relocation of jhuggi dwellers is possible only when alternative plots are available and, therefore, no time frame can be indicated at this stage.

(c) Delhi Vidyut Board has reported that Jhuggi clusters have been found indulging in stealing electricity by direct tappings from DVB mains. In order to curb the menace, the Board has introduced a scheme for provding electric connections to Jhuggi basties on 'single delivery point' basis by engaging Agency/Resident Welfare Association for each basti to take the electric supply in bulk for further distribution to the residents of the concerned Jhuggi basti; to collect revenue from them and deposit the same with the Delhi Vidyut Board. The Delhi Vidyut Board has given seven electric connections to the agencies around Alaknanda and Mandakini Complexes for distribution of electricity to the jhuggi dwellers.
